Problem Set 5

On what and how to submit

- For this and all future problem sets, questions are from the "Problems" section of the questions at the end of the chapter.

- Due before Lecture 6 to your Box folder

- Name the file "ps05_[lastname].[extension]". For example, my file would be "ps05_brooks.pdf".

- You do not need to type your submission. Any **legible** submission is ok. For example, you can write the problem set with hand-drawn graphs, take a picture, and submit the picture.
