

Instructions for Presentation Comments

PPPA 8022
Spring 2017

What to do

- write comments on three presentations
- post them in the appropriate google folder by Friday midnight

What kind of comments to write

- We are interested in both substance and presentation
- As before, please do highlight strengths
- And don't forget about pointing out weaknesses and points where you didn't understand either the author's or presenter's point
- In the four to five bullets/half a page range

For whom should you comment?

MLR is Maya; MR is Michael.

I designed this so that you should have no more than one repeat from any member of your previous group. Let me know if I have made a mistake and not kept to this requirement.

From me: You should expect an email with comments on your paper by the end of the day on Friday.
