Presentation Comments Instructions

You should write comments on three presentations. The person in your row on the non-presentation date and the two following. So Mary comments on Tzitzzi, Isabella, and Kerrigan. Alex comments on Isabella, Kerrigan and Ryan.

In your comments

- be sure to note whether the presenter explained the causal problem at issue
- explain what you didn't understand
- even better, offer suggestions for explaining better
- when possible, offer extensions for testing hypotheses your classmates proffer

For the April 17 presentations, comments are due to the presentation day's comments subfolder by Friday midnight. For the April 24 presentations, comments are due to the presentation day's comments sub-folder by noon on Thursday April 25.
